◎ The Reduction System

There is a reduction system of charge, as for person receiving grant or the disability certificates receiving welfare. If you want to apply it, you need to submit certificates with your application. For more information, Please check the notice in parking lot or contact us.

③ Application procedure

Pick up the application form in the office or download the form following the website [<https://todacity.ecopool.jp/>] and Fill it out.

Submit your application form to our staff **in person**.
Please show your ID if you are eligible for the fare discount.
 For more information about valid ID, check the 「③-1 Valid ID card」 this pamphlet.

Sending Payment

In case you **met** the deadline, You'll receive the payment at the end of **this month**.

In case you **missed** the deadline, You'll receive the payment at the end of **next month**.

Make a payment at a convenience store by due date following the instruction.

After a payment is confirmed, you'll receive the number of the seal for bicycle attachment and registration number for IC card by **mail** or **e-mail**.

Enter your IC card registration number into the machine where it's in the parking lot, and Register your IC card.

START to USE

③-1 Valid ID Card

Those who apply the discount need to check their ID.
 Show your ID to our staff when you submit your application.

 Acceptable documents for verifying student, etc.

* It's unacceptable to driver licenses and my number card which are not being verified commuting or student.

③-2 Changes of parking lot rule after 2023

1) Continuous use

Be available to use continuously **without re-application**.

<New users>

Pick up the application form in the office or download it in the website, and Fill it out.
 You may need to show your ID depending on the usage category.
 You can't apply for a full parking lot.

<Current users> **No need to apply! No need to register IC-card,**

If you wish to continue using here, the contract will be updated automatically.
 We will send you a payment announcement at the timing of renewal of each contract.
 If you do NOT wish to continue using here, **CANCEL** the contract at My Page or at the bicycle parking support center.

2) Exceeded capacity parking lot

An **additional application** of exceeded capacity parking lot will be conducted according to the number of vacancies that occur **once a year** due to cancellation.

3) Removal the restriction of the periodic use

It'll be removed the following restriction of the use.

People that place of residence, commuting or attending school do not correspond to the use limit area in people using railroad for commuting and attending school.

4) Motorcycle (51cc~125cc) Parking Available

It's available to park the motorcycle(51cc~125cc) in **ONLY TODA KITA No2**.

③-3 IC Card Registration
